

We are excited to be working on plans to reopen our community. While Delaware County has finally gotten to the Yellow Phase in the Governor’s plan to reopen Pennsylvania, we must remember that as a senior community we need to continue to take all precautions to keep our residents safe. Please see below for an update to our visitor policy. ***Please note this policy is currently only in place for our Independent Living residents. We are not permitted to have visitors visit with our healthcare residents at this time.**

VISITS WITH OUTSIDE GUESTS: We will be opening the campus for our residents’ friends and family to visit beginning Saturday, June 13, 2020. To help keep social distancing possible during these visits, we will limit outside visitors to 2 individuals per visit. Masks must always be worn, and we ask that as much as you would like to hug your family, you refrain from doing so for now. All visits will be limited to outside sites with various seating areas ensuring social distancing. These visitations will be scheduled 3 days per week, allowing for 3 rain dates. To give everyone an opportunity, visiting locations will be reserved on a first come first serve basis. Once you have a visit, you will need to wait until any other resident interested in reserving a location has had an opportunity. We will then start reserving for second visits. We have 24 visitation opportunities per day (3 days per week) which will allow for 72 visits per week. Below are the dates and times for these visits. **If you are interested in reserving a visitation site, we ask you to call Carol Harold at 610-627-4895. Please leave a message to include YOUR NAME, APARTMENT NUMBER AND DAY (Saturday, Monday, or Wednesday) OF REQUESTED VISIT. To best accommodate everyone, residents will be assigned a location and time.**
